## Hospital Board Adopts New Policy

A new policy in regard to admittance of patients is in effect at Everglades Memorial Hospital in Pahokee, according to an official announcement made this week by members of the board of directors of the institution.

The new policy works as follows: When a patient enters a private room there will be a deposit of \$70; upon entering a semi-private room the deposit will be \$60 and for a ward the deposit will be \$50.

The move on the part of the board came after months of operation at a loss because too many folks were "riding a good horse to death." Some people who were admitted to the hospital without putting up any cash to cover hospital expense, used services of the hospital and then went their way without even saying thanks, let alone paying any cash on their bill. This is the condition that is to be remedied by the new policy instigated by the board.

One board member in commenting upon the hospital's operation said that too many people have the wrong conception about the hospital being a county institution. "IT IS NOT a county institution," neither is it operated as a charity institution.

It is a fact that a certain amount of taxes are levied by the hospital board yearly to aid in operation of the hospital. This year the millage in the North-Western Hospital district (Pahokee and Canal Point area) has been boosted to 10 mills by members of the hospital board. This is necessary they say to meet increased operating costs.

If folks who use the services of the hospital will make an honest effort to pay for them, the hospital can be operated in the black instead of the red, it was pointed out. However, with strict adherence to the new policy it should not be too long before the board can see the light of day in operational expense.

## Effort Is Made To Improve Airport

Possibility of a cooperative agreement between Palm Beach county and private interests to improve flying facilities at Palm Beach County Glades Airport on Bacom Point Road was seen in action taken this week by the county commission.

At the request of Commissioner Paul Rardin, Canal Point, the board approved a resolution which allows Frank Belk, Glades pilot and crop duster, entrance to the airport from privately owned lands adjacent to the field.

Adoption of the resolution, Rardin said, would clear the way for Belk to construct a hanger at his own expense and on his own land adjacent to the field on Bacom Point.

The Glades flyer, who has several planes which are used for dusting crops, said that he was willing to build the hanger providing he obtained rights of ingress

(continued on page 8)

## Moberg Speaks To Pahokee Rotarians

Rev. Carl A. Moberg of Miami was guest speaker at the Thursday luncheon meeting of the Pahokee Rotary Club last week.

Introduced by President Elmer Jones, the speaker gave a talk on the spiritual and religious aspects of Rotary, pointing out that the aims of Rotary reach to the highest levels of spiritual values and are completely in accordance with the tenets of Christianity.

## New Coach Named For Pahokee High

C. W. Pell, 33, of Elkins, West Virginia, has been appointed new head coach and boys physical education director at Pahokee High School, replacing W. H. (Dub) Kendrick, who recently resigned after serving as Pahokee coach for one year.

Coach Pell comes to Pahokee from Wilmington, Ohio, where he has been football coach for the past four years. A former pilot in the U. S. Navy, he received a bachelor's degree from Marshall College, Huntington, W. Va., where he was outstanding in athletic activities. He also has master's degree in physical education and social studies.

Coach Pell, his wife and four children plan to move to Pahokee in the near future. At present they are the house guests of her parents, Mr. and Mrs. J. F. Charlton in Fort Lauderdale.

Mr. Kendrick has accepted a position as inspector in the State Health Department and has gone to Tallahassee for a year's training in his new work.

The British-owned resort of Nassau is in the midst of the biggest, brightest tourist boom of all time. May, once considered the start of Nassau's off-season, set a new record with an increase of 52.5 per cent over 1951.

## County To Secure R-Way For Bridge

Palm Beach county filed a notice of taking, under which it will get right-of-way for the new Canal Point bridge, in Circuit court Tuesday.

Five defendants were named in the action, on which a hearing will be held July 31. Appraisers will be appointed then.

Under the notice of taking, the county will post a bond of twice the amount at which the land is appraised. The actual cost to the county will be determined by eminent domain proceedings, which were also filed Tuesday.

The notice of taking was filed so the county can get the right-of-way in less time than condemnation would take. The state has withheld action on building four bridges in the county until right-of-way is available for all of them.

## Post Office Will Move In Pahokee

The remodeling of the building on East Main Street, Pahokee, has been completed and everything is in readiness for the moving of the Pahokee post office to its new location. It is expected to be moved within the next few days.

The new location will provide the post office with approximately 290 square feet of floor space more than it has at the present location. This additional floor space will allow for a new section of lock boxes. The post office will have modern fluorescent lighting, attic-fan and oil furnace heating facilities at the new location.

Postmaster Edward A. Jensen reports postal receipts at the Pahokee post office for the first six months of 1952 were 24 per cent above the receipts for the same period last year.

## Phenomenal Growth!

Assessed valuation of Palm Beach County property on the 1952 tax roll is 22 times what it was 30 years ago!

There is no figure or statistics that reflects the growth of an area better than assessed valuation of property. The fact that such values have increased 22 times since 1922 indicates the tremendous growth of the county... growth in property and in population and in general wealth during the past 30 years.

Tax Assessor James M. Owens, Jr., says the tax roll today represents \$220,497,500, an all-time record. In 1922 the figure was only \$10,851,051. What a difference!

This year's assessed valuations also are some \$15,000,000 over last year.

Palm Beach County, which includes the Palm Beaches and one of the richest sections of the Everglades growing area for winter vegetables and sugar cane, is one of the fastest-growing counties in the State of Florida. Since 1940, its prosperity has been truly amazing. This prosperity has been translated into greater property values, increases in business properties, thousands upon thousands of new homes.

And Palm Beach County is NOT stopping at this point. Given the advantage of good times, the next ten years should see the assessed valuation of property increased by at least a third of its present figures. The next decade should also see a greater increase in population than it has experienced in the past ten years.

We here in Palm Beach County have everything necessary for prosperity and growth, climate, soil, friendly people, clean cities and towns, and a citizenry which is alert to promote the area in every conceivable way.

Under the aegis of the factors, the county has grown enormously since 1942.

We freely predict its growth during the next decade will be greater, with West Palm Beach especially reaching past the 50,000 population mark!

We see nothing short of all-out war keeping us from eventually reaching double our present financial worth and population.—Palm Beach Post.

## County Park Is Named In Honor John Prince

### Cigarette Taxes

The state report on cigarette taxes and their distribution in Glades towns is shown below:

Belle Glade	\$5,310.54
Pahokee	2,274.43
South Bay	970.12

## Court Sets Price 6-Mile Bend R-Way

A 12-man circuit court jury late Tuesday brought in a verdict of \$36,004.32 damages for land taken, and \$4,703.10 as attorney's fees in the Palm Beach County condemnation suit to acquire lands for right-of-way for a new bridge at Six Mile Bend.

The jury verdict was returned at 5:01 p. m. after two hours deliberation, and after they had returned from the site to view the property involved in the case.

The suit centered about five parcels of land, but only one drew a large verdict for damages. This was \$30,715.32 damages allowed VanLandingham Bros., Glades ranches, for land and buildings, as the proposed route of SR 80 for approach to the new bridge goes directly through a set of ranch buildings owned by VanLandingham Bros. Only a little more than 100 acres of land were involved in this one parcel. Attorney fees in the one case were set at \$3,578.65.

One other parcel was covered by damages in the sum of \$5,136, plus attorney fees of \$1,049.45. The other three parcels were small and damage was set at comparatively low figures.

The total land and building damage allowed by the jury together with attorney fees, totaled \$40,707.42 which the county will pay for the right-of-way.—Palm Beach Post.

## Tax Millage Lower For Coming Year

A tentative budget of slightly over \$3 million was adopted by the County Commission Monday—expenditures which will draw a tax assessment slightly less than a year ago.

The total budget calls for expenditures during the coming year of \$3,096,827—an increase of \$378,710 from the previous year.

Kenneth Foster, commission chairman, said that despite increased expenditures which were brought on this year by a general rise in prices, the commission had been able to hold the line when it came to levying a millage to raise the county's appropriations.

Total tax levy to operate the commission's budget this year was set at 11.65. Last year the tax levy was 11.66.

The commission, Foster said, was able to match the rising costs of living by economic administration of county governmental functions during the past year which

(continued on page 8)

A resolution changing the name of the Lake Osborne park area to John Prince Memorial County Park, in memory of the late Commissioner John Prince, was adopted Monday by the County Commission.

The 1100 acre park which is located between Lake Worth and Lantana, is destined to become one of the leading recreational areas in the entire county.

Glowing tribute to the memory of the former District Three Commissioner, was paid by individual members of the board, preceding adoption of the resolution renaming the park.

Commissioner Lake Lytal, who made the motion changing the park's name, said, "There is no man in the county who has done so much to interest this board in a county park system."

Lytal said that it was through the efforts of Mr. Prince that Lake Osborne became the county's first park and that the project had remained one of the prime interests of Mr. Prince during his many years on the county board.

Assuring residents of the continued development of the park area Lytal made this pledge in behalf of the commission, "we sincerely commit ourselves to the people of that area (district three) that the park will be developed from year to year into the best recreational area in the county."

"There is no person," Lytal said, (continued on page 8)

## Funeral Services For Julia Wilder

Funeral services for Mrs. Julia Virginia Wilder, 42, Pahokee pioneer, were held at the Pahokee First Baptist Church Monday, July 14, at 11 a. m., with the Rev. W. Hal Hunter pastor, officiating.

Mrs. Wilder died Friday at the Mercy Hospital in Miami following a long illness. She was born in Plant City May 6, 1910 and came to the Everglades with her parents in 1918. For the past 20 years she has operated a beauty salons in Pahokee, West Palm Beach and Miami.

Survivors include a daughter, Mrs. Peggy Lance; granddaughter, Tana Zane Lance; mother, Mrs. Mae Butler; two brothers, C. L. Wilder and Edgar Wilder, all of Pahokee; two sisters, Miss Mary Wilder, Miami, and Mrs. Adine Miles; a niece, Park Miles, and several cousins.

Burial was at the Woodlawn Cemetery in West Palm Beach. Berry's Funeral Home was in charge of arrangements.

Six of Mrs. Wilder's first cousins served as pallbearers: Walling Wilder, C. D. Wilder, Jr., C. W. Taylor, Doyle Parker, Stanley Smith and Joe Parker.

Others from out of town who attended the services were Mrs. Wilder's uncle, George Wilder, Mrs. C. W. Taylor and daughter and Mrs. Walling Wilder and daughter, all of Plant City; the Rev. and Mrs. Michael Schultz and Mrs. Bert Purvis, all of Lake land.

## Pioneer Of Moore Haven Dies At 84

MOORE HAVEN—Mrs. Mollie C. Settle, 84, a resident of this city for 33 years, died early Tuesday at the home of a son, Carr Settle following a long illness.

Mrs. Settle, a native of Tazewell Co., Va., moved first to Clermont, and later to Moore Haven.

She was a member of the Pioneers of Glades Co., a past matron and both charter and life member of the Moore Haven Eastern Star, a past noble grand of the Rebekahs, a member of the Woman's Club, and of the United Daughters of the Confederacy.

The pioneer Florida resident was a member of the Moore Haven First Methodist Church where for many years she was a steward of the board.

Survivors in clude, beside the son, two other sons, F. C. Settle, Prior, Okla., and J. E. Settle, Charleston, W. Va., and two sisters, Mrs. Sally Douthett, and Mrs. Grace Mills, both of Washington D. C.

## Air Rescue Work Described For Lions

Pahokee Lions at their Tuesday luncheon meeting voted to purchase an adding machine and present it as a gift to Lions Industries of Palm Beach County.

It was announced that Leonard Dobrow, immediate past president of the Pahokee Club, has been named Lions zone chairman of Zone One, Region One and Two. Plans were discussed for the purchase of new luncheon tables and Ralph Stanley was appointed by President James W. Vann to investigate the costs.

Guest speaker was M-Sgt. Arnold J. Heldt, non-commissioned officer in charge of operations of Crash Marine Boat Squadron 15 Airmen, who is stationed at Canal Point while the crash boat is covering training operations of Air Rescue Squadrons on Lake Okechobee. The speaker told of some of his experiences in air rescue work in this country in China and Japan.

## Local Post Office Receipts Increase

Postal receipts and money orders issued at the Canal Point post office both showed an increase of 36 per cent for the first six months of 1952 as compared with the same period last year, according to Postmaster Osceola Upthegrove.

The postal receipts for the first six months of this year totaled \$3,883.16, compared to \$2,855.89 through the same period last year, while money orders issued at the Canal Point post office up to June 30 this year totaled \$94,711.49, compared to \$69,601.22 up to June 30 last year.

Postmaster Upthegrove expects the Canal Point post office to advance in rank from a third class to a second class office by July 1, 1953 if the increase in postal receipts continues at the present rate.

## Chairman Elected

Miss Elizabeth Caraway was re-elected chairman of the Lottie Moon Circle, First Baptist WMS, at a meeting at the home of Mrs. W. A. Stevens, Sr., Monday afternoon, with Mrs. Arthur Bush, co-hostess.

The mission study program, "Witnessing in Our Own Country," was presented by Mrs. Stella Mullis. Members of the Lucy Jones Circle were guests.

## New Soil Chemist At Experiment Sta.

Dr. W. T. Forsee announces a new addition to the Everglades experiment station staff in the person of Dr. Albert E. Kretschmer, Jr., who has been appointed assistant soil chemist. The new staff member took over his work at the station on July 1.

He has made his home in Florida for the past 14 years, attended the public schools in Fort Pierce and received a B. S. degree from the University of Florida in 1949 and his doctor's degree from Rutgers University this year.

During his graduate work he served as a fellow in soils and plant physiology under direction of Dr. F. M. E. Bear, internationally known plant nutritionist. He served during the war in the air arm of the Navy. He is married and has one child.

## Howard Holman Is New Head Of Legion

Howard Holman was elected new commander of Fred and Percy Mansfield Post 90 at the annual election of officers held in the American Legion Hall on Canal Point road Monday night.

Other new officers elected were: Glynn Carr, first vice commander; Cecil Gray, second vice commander; Charles Wilkinson, third vice commander; Edwin Rice, finance officer; Melvin Spooner, chaplain; J. W. Guthrie, sergeant-at-arms; Al Lavender, historian; O. K. Carr, R. A. Burch, Paul Collier, Jr., Carmen Salvatore, Jr., Ralph Johnson, Paul Tillery, Perry Duke, E. Williams and Don Cole, executive committee members.

It was announced the new officers will be installed at a joint meeting of American Legion posts in the Glades area to be held in September. Paul Collier, retiring commander, presided.

## Industrialists To Hold Bartow Meeting

BARTOW—Industrial and educational leaders from all sections of the state will gather in Bartow July 23 for an industrial conference to be held under the sponsorship of the Florida State Chamber of Commerce.

Attending will be top-flight business executives, bankers, economists, representatives of state agencies and allied groups who are directly concerned with the problem of stabilizing Florida's economy and creating more jobs for its ever growing population.

The expansion of Florida's industrial program will be the main topic of discussion at the meeting which will be held in the auditorium of the International Minerals & Chemical Corporation. W. W. Wolf of St. Petersburg, vice-president of the Florida Power Corporation and chairman of the State Chamber's Industrial Committee, will preside.

McGregor Smith, president of the Florida Power & Light Company of Miami and chairman of the Florida Industrial Development Council, will be moderator of a panel discussion to develop further possibilities of industrial expansion.

Others scheduled to appear on the program are Earl W. Brown, Exhibit Builders, Inc., Deland; Beverly Grizzard, acting director of the Florida State Advertising Commission; Dean Walter Mathery of the College of Business Administration, University of Florida; Dean Joseph Well of the College of Engineering of the university; Benton W. Powell, chairman of the Industrial Committee of the

Florida Bankers Association and many others.

Harold Cole, executive vice-president of the Florida State Chamber of Commerce, said that the purpose of the meeting is to implement the industrial program and adopt a realistic procedure looking toward the attraction of industry to this state.

## Senator's Aide Tells Of Government Cost

George Arceneaux, Jr., legislative assistant to Sen. Allen Ellender of Louisiana, chairman of the Senate Committee on Agriculture and Forestry, was guest speaker at the weekly dinner meeting Monday night.

He spoke on expenditures of the federal government, especially during the past four years. His talk was warmly received by the group of Lions.

The speaker was introduced by the Rev. James Roy, program chairman.

Young Arceneaux is the son to Dr. and Mrs. George Arceneaux who recently moved to Pahokee where they purchased the L. L. Stuckey home. Dr. Arceneaux is associated with Dr. E. W. Brandes of Canal Point in operation of Palm Beach Research Farm.

## To Visit In Tampa

Mrs. Wiley Tillis is leaving today to spend the weekend with relatives in Tampa. She is being accompanied to Tampa by Tommy Tillis who has been visiting her the past month, and she will be accompanied home by her daughter-in-law and grandson. Mrs. Frank Tillis and Frank, Jr., who have been visiting in Tampa this week.

Mrs. Louis Enders and son, who were recent guests of her mother, Mrs. Mona Joughlin, in Pahokee, have gone to Fort Slocum, N. Y., to join her husband who is stationed there in the U. S. Air Force.

## Farm Safety Week Scheduled July 20-26

TAMPA—July 20-26 is National Farm Safety Week. Since the inauguration of the safety on the farm program by Commissioner Nathan Mayo in 1938, farm safety has been a year round activity of the Florida farmer.

The constant reduction in farm accidents is reflected in the annual safety report released by the Florida Safety Council.

Checking your farm implements and checking the possible accident places in your house, barn, and garage and seeing that the tools are properly kept, and that the wiring is not defective, is a good safety measure at all times.

The farmer who is his own doctor, engineer and mechanic knows the value of having a first aid kit always on hand.

Concluding, Asher Frank, director of the Florida Safety Council, advises that the farmer and his helpers should be as careful of the farm and on the highway as they are on the farm.

Mrs. Joe Carr has gone to Chicago to join her husband who is stationed there by the U. S. Army.

## Board Turns Down Upthegrove Request

Attempts by County Registrar DeWitt Upthegrove to collect expense money for attending a legislative meeting of county registrars went unrecognized before the county commission this week.

In June, Upthegrove asked permission of the board to attend the session at county expense and was turned down.

He went to the meeting and this week turned in an expense bill of \$44.81 to the commission, with a request that he be reimbursed.

Commissioner Ben Sundry, Delray Beach, said "I made the original motion that this expense not be allowed and I do not wish to rescind this action."

"Nor do I care to withdraw my second to the motion," said Commissioner Paul Rardin of Canal Point who had backed up Sundry's original motion.

Chairman Kenneth Foster explained that if the commission wished to pay the bill it would have to rescind its original action in turning down Upthegrove's request.

## Sell Your Cattle On Your Market

A good example of the growing industrialization and economic progress of the South is this new DuPont synthetic fiber plant at Camden, South Carolina.

For

PROGRESS.

...call DIXIE!

...to Southern Bell. The ring of saw and hammer. And more than 26 million telephone calls a day!

There's another cheerful sound—\$8,000 Southern Bell men and women busy providing you and your neighbors with the most and the best telephone service in Dixie's history. Service that's vital to the Nation's defense. Service that keeps you in touch with

business... speeding your business... enriching your home life.

TELEPHONE growth is a striking example of progress in today's amazing South. During the 10 years from 1940 to 1950, the South's growth in telephones was more than twelve times its growth in population. In the first 6 months of 1952 alone, we added 149,250 new telephones. Southern Bell Telephone and Telegraph Company.

SOUTHERN PROGRESS AND TELEPHONE PROGRESS GO HAND IN HAND

Do you have Series E Defense Bonds coming due this year?

# Here's a money-earning opportunity for you

Now—a new law lets your maturing Series E Bonds go on earning for you ten years longer! And you don't have to do a thing!

ARE YOU one of those patriotic citizens who began buying—and holding—Series E Bonds ten years ago? Now your government is going to reward your faith with a chance for your bonds to earn extra money—over and above what you'd expected!

According to the bill passed by Congress last spring, it is now possible for your United States Series E Bonds to continue earning interest ten years longer than was originally planned.

Therefore, if you started an automatic bond saving plan, and helped your country at the same time, you can look forward to ten years more of effortless earning from the bonds you bought!

For example, a Series E Bond which cost you \$18.75 in 1942 will pay you \$25 in 1962. But

if you hold that bond ten extra years, until 1962, it will pay you \$33.33, an average interest of 2.9%.

And there is nothing for you, as a bond holder, to do. You need not exchange the bonds you have. You need not sign any paper, fill out any form. You simply keep your bonds as you have been keeping them.

You may still redeem any Series E Bond at any time after you've owned it for sixty days. (The tables on this page show what you can get for it.) But, unless you really need the cash you're much better off to hold your bonds; they are a paying method of saving. Bonds are safer than cash! Cash is too easily spent on nonessential things. And if you lose or accidentally destroy it, you're out that much money. But when you have cash in Defense Bonds, you're more apt

to hold on to it. And if your bonds are lost or destroyed, the Treasury will replace them for you at no cost or loss to you.

The cash you have in bond savings is safe and solid; and it's steadily growing toward a sum big enough to buy something really worth while when the proper time comes—a home, a business, a retirement fund, an education for your children.

So if you have bonds coming due, take advantage of this new offer of your government—just sit back and let them go on making money. Meanwhile keep adding to your savings by buying more United States Defense Bonds regularly—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

If you want to be paid your interest as current income—

The new law also allows you to exchange your Series E Bonds, in blocks of \$500 or more, for Special Series G Bonds which pay interest semiannually at the rate of 2½% per year. For full details, ask at any Federal Reserve Bank or Branch.

Here's how Series E Defense Bonds earn the first 10 years

Maturity value	\$25.00	\$50.00	\$100.00

## Defense is your job, too!

**T**HIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over. The nightmare of war is behind them. These boys have seen far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U.S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, *strength* is America's surest guarantee of peace.

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

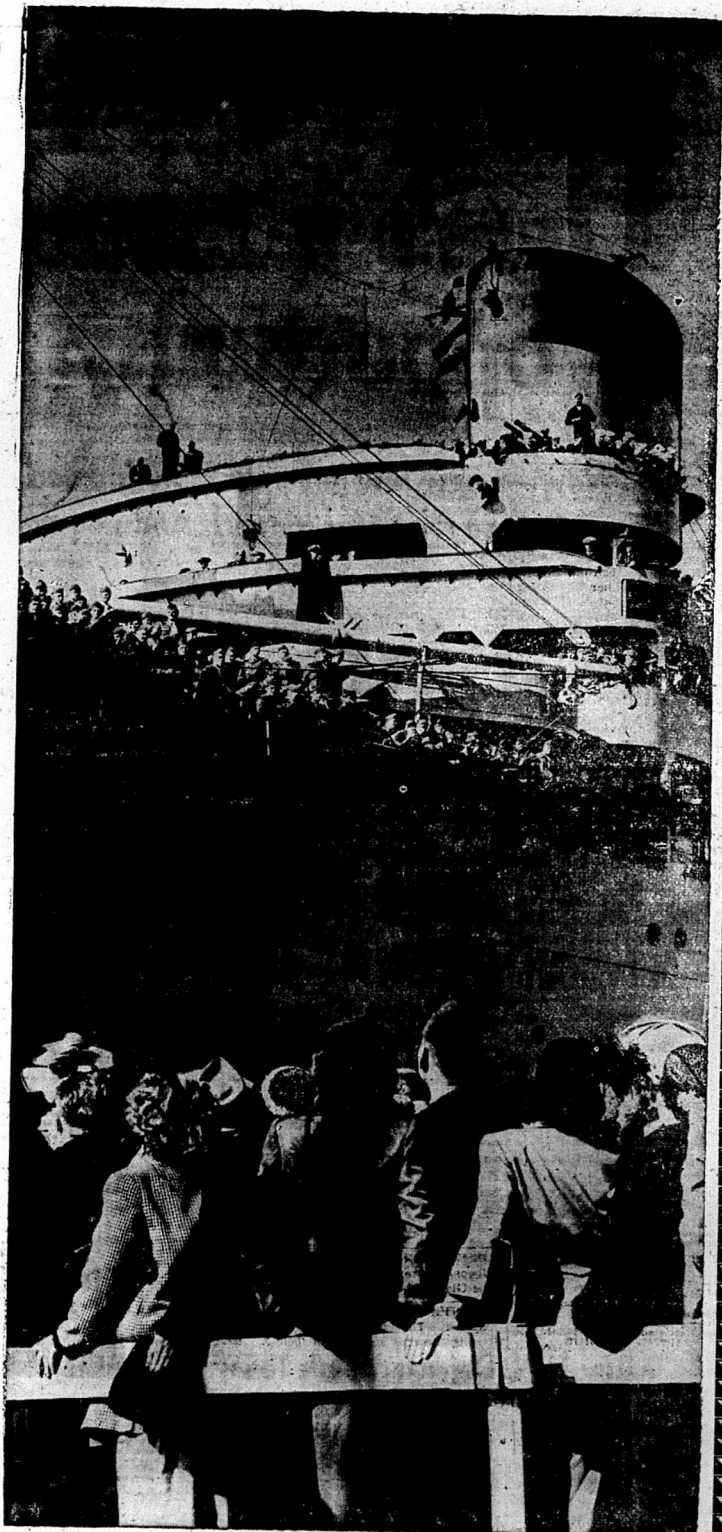

### The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because, now *every Series E Bond* you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

**Peace is for the strong...

## Births

Dr. and Mrs. E. C. Johnson announce the birth of a daughter at the Everglades Memorial Hospital, July 14.

Mr. and Mrs. Raleigh Mock of Pahokee announce the birth of a son, Frederick Allan, at the Everglades Memorial Hospital, July 11.

Mr. and Mrs. Bob Wood of Belle Glade announce the birth of a daughter at the Everglades Memorial Hospital, July 14.

Mr. and Mrs. C. W. Walcott (Sable Springfield) of Pahokee announce the birth of a son, James Norman, at the Everglades Memorial Hospital, July 12.

Mr. and Mrs. Julian Hodges of Canal Point announce the birth of a daughter, Deborah Carol, at the Everglades Memorial Hospital, July 7.

## Home From Calif.

Mrs. A. Q. Howell, accompanied by her son, Wiley, and daughter, Mrs. Thomas Lynn, of Immokalee, has returned from a 20-day trip to California where they visited her son and daughter-in-law, Mr. and Mrs. Richard Howell, and son, Franklin Howell, in San Diego. Franklin recently completed his boot training at the Naval Training Base in San Diego and is now attending a naval school in advanced training. Enroute home Mrs. Howell and her son and daughter visited relatives in Dallas, Texas.

## Community Night

Community night in connection with the summer recreational program will be held at the Canal Point School on Thursday, July 24 at 7:30 o'clock. The program has been under the direction of Robert Crandall and Eula Mae Snider. The evening's program will be entertaining and at the same time climax the recreational program. A color sound movie will be shown. There will be an art exhibit and awards will be presented.

(NOTARY'S SEAL) NOTARY JENSEN  
My commission expires Dec. 13, 1955.

## Long Range Road Building Program

TALLAHASSEE — A major problem that must be given consideration by the next legislature is that of providing for a long-range road building program that will insure Florida's receiving its full share of federal aid and laying the groundwork for a primary road system to meet the state's present and future traffic needs.

Congress, wisely, refused to consider the administration's demand for a cutback in the appropriation for federal aid to highways, and the appropriation provides for a total of \$575 million annually for state participation including for the first time, \$25 million for interstate Highway Systems.

Lt. Gen. Eugene Reynolds, executive vice-president of the American Road Builders' Association, said, "I am glad to see federal aid for highways increased instead of reduced. Furthermore, I am glad that a step has been taken to provide for the development of the important Interstate System. The \$25 million authorized is sadly inadequate, but it gives recognition to the critical problem."

A further quotation cited by the General in the Senate report is the warning that "highway usage is running far ahead of the highway improvement. The capacity of our highway system is diminishing due to the deterioration of older roads without sufficient replacement or reconstruction to compensate for loss."

General Reynolds, in his testimony before both the Senate and House hearings on the highway bills, pointed out that deficiencies on the Interstate System alone exceed \$11 billion and the total needed improvement on the entire federal aid system has been established at upwards of \$32 billion.

He stressed the point that the seriousness of the highway situation indicated the need for the establishment of a definite long-range plan of rehabilitation. He suggested a 10-year program, approximately a total annual expenditure of \$3 billion, would constitute a reasonable and realistic approach to the problem.

Clewiston, frequently called the "queen city" of the Florida Everglades, home of the world's largest sugar mill, was plotted and developed in 1925 and incorporated in 1932.

John E. Wilson underwent surgery at the Everglades Memorial Hospital last week.

## Fay Taylor Circle

Mrs. W. A. Keen was elected chairman of the Fay Taylor Circle, First Baptist Woman's Missionary Society, at a meeting at the home of Mrs. M. P. Stanley Tuesday afternoon.

Mrs. C. L. Shirley presented the devotionals and program which had as a theme, "Workers for God." Talks on the topic were given by Mrs. W. Hal Hunter and Mrs. H. L. Speer. The group voted to visit shut-ins and hospital patients as its community missions project for the month.

## Circle Meetings

Circle meetings of the Pahokee First Methodist Woman's Society of Christian Service will take place Monday, July 21, as follows:

The Mary Martha Circle will meet at the home of Mrs. Jess M. Elliott at 8 p. m., with members of Miriam Circle to attend as guests. Mrs. Jimmie Wilson will be in charge of the program. A talk will be given by the Rev. R. A. Guy.

The Mabel Simonson Circle will meet at the home of Mrs. E. A. Early on Barfield Highway at 3 p. m. Members of the Margery Lair Circle will attend this meeting as guests.

Sales of liquefied petroleum gas in Florida amounted to 59,561,000 gallons during 1950, the latest year for which figures are available.

## Hazen - Best

WEST PALM BEACH—A reception at their future home on 55th st., followed the wedding Monday of Miss Ann Hazen and Sam Best at 7:30 p. m. at Memorial Presbyterian Church. Dr. Ryan L. Wood performed the ceremony. Miss Rebecca Wood sang.

The bride is the daughter of Mrs. Annie Hazen of this city and Dr. Olen B. Hazen of Gainesville, Fla.

Given in marriage by her brother, Macon Hazen, the bride wore a tight-waisted bouffant skirted floor length dress of white net over satin. A wreath of flowers was in her hair and she carried white carnations, roses and baby's breath.

The bride is a former resident of Pahokee.

Close to 40,000 people visited Nassau during the first four months of 1952 and a gigantic upsurge is being felt in the volume of summer arrivals.

The Florida Citrus Commission will participate in the coming International Apple Association Convention at St. Louis by providing delegates with refreshing orange juice.

Students diving under water for marine biological specimens will be subjects for two cameramen working with the University of Miami marine laboratory in shooting Grantlan Rice's movie short, "Spotlight."

Rev. and Mrs. James Roy left Wednesday for Vero Beach where they will spend a week's vacation.

## Christian Science Group Of Canal Point

Services in all Churches of Christ, Scientist, next Sunday emphasize man's great need to scientifically understand God's almightiness in order to comprehend Life. Subject of the Lesson-Sermon is "LIFE".

The Golden Text is from Revelation (21: 6, 7): "I will give unto him that is athirst of the fountain of the water of life freely. He that overcometh shall inherit all things; and I will be his God, and he shall be my son."

Scriptural selections include Jesus' statement: "This is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent" (John 17: 3).

One of the correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is: "The Scriptures imply that God is All-in-all. . . . The Scriptures also declare that God is Spirit. Therefore in Spirit all is harmony, and there can be no discord; all is Life, and there is no death" (p. 331).

## Youth Choir

The Youth Choir of the Pahokee First Baptist Church celebrated the third anniversary of its founding at a party held at the church Sunday following the evening worship hour. Members of the Helen Hayes Circle, WMS, were on the hostess committee in charge of arrangements. Adult Choir members were invited guest. The Youth Choir was formed in July, 1949, by Mrs. Hoke H. Shirley and is now under the direction of Robert O. Lampl.

## Celebrate Birthday

Mrs. Tommy Hooper entertained at her home Saturday afternoon with a party honoring her daughter, Joan, who was celebrating her birthday anniversary. Following the serving of refreshments by the hostess, Joan and her guests saw the show at the Prince Theatre.

## Helen Hayes Circle

Mrs. John Hutton was hostess to members of the Helen Hayes Circle, First Baptist WMS, at her home Tuesday night.

Circle members discussed plans for the coming year with Mrs. H. L. Speer, president of the Woman's Missionary Society. Mrs. Speer gave a talk on "Mattie's Glowing Lamp."

Mrs. Hutton was in charge of the devotional program. Mrs. Charles Wilkinson presided in the absence of the chairman, Mrs. Paul Tillery.

## Canipe Announces Two Appointments

Principal Clyde A. Canipe announces the appointment of two new teachers at Pahokee Schools and the need for two more appointments to fill vacancies on the teaching staff before the opening of school in September.

C. W. Pell, formerly of Elkins, W. Va., and Wilmington, Ohio, has been appointed boys physical education director and head coach, replacing W. H. Kendrick who has accepted a position with the State Health Department. Mrs. Sharitz, teacher at West Palm Beach Schools for the past seven years, has been named third grade teacher at the Elementary School, replacing Mrs. Peggy Willis who has been granted a year's leave of absence.

Appointments are to be made to replace Edwin Leggett, director of music at the Elementary Schools of Pahokee and Canal Point for the past two years, who resigned to work on his master's degree at Columbia University, New York City, and Miss Hendry, high school English instructor, who is also returning to college for advanced education.

## Rev. & Mrs. Petrie To Move To Clewiston

The Rev. and Mrs. John Clarence Petrie are planning to move around the first of September from the old Episcopal vicarage in Pahokee into the new vicarage, now under construction, that is being built by the Episcopal Church in Clewiston.

The new vicarage is scheduled to be dedicated at a special ceremony in Clewiston on Sunday, Aug. 31, with the Rt. Rev. Henry I. Loutitt, D. D., Bishop of the Diocese of South Florida, officiating. The old vicarage has been placed on the open market for sale.

The Rev. Petrie serves as vicar at the Episcopal Churches both in Pahokee and Clewiston.

## Change Club Name

Members of the Everglades Business and Professional Woman's Club at a meeting at the home of Mrs. Doris Carter, Port Mayaca, Tuesday night voted to change the name of their club to Pahokee Business and Professional Woman's Club.

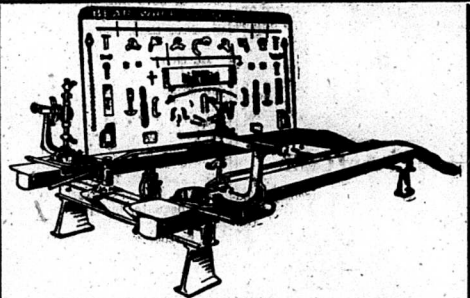

Miss Bette Lou Pickett was elected first vice president to fill the vacancy left by the resignation of Mrs. Valerie Larrimore.

Following the business session, with Mrs. Larrimore presiding in the absence of the president, Mrs.

Elsie Sims, the club members entertained with a surprise party and bride's shower honoring Mrs. Larrimore, bride-elect of C. S. Davis, whose wedding will be an event early in August. Mrs. Frank Handley was a visitor.

Mrs. Bertha L. Starling has returned home after spending six weeks visiting on Sanibel Island near Fort Myers.

Mrs. and Mrs. Robert B. Simonson and family have returned from a vacation visit with relatives in Illinois.

Just follow the crowds every Wednesday and Saturday to the largest in the South retail FARMER'S MARKET AND AUCTION.

## Tax Millage Lower—

(continued from page 1)  
left more than a half-million dollars in the treasury to be carried over and applied against this year's expenditures.

Also aiding in holding the tax levy stable, the chairman said, was an increase in the tax assessment roll which will bring the county increased funds with no increase in the tax millage.

In most of the departments there is little change in expenditures for the coming year.

Two exceptions are in the capital outlay section where the commission has set aside \$100,000 for construction of a new childrens home on 45th st. and another \$4,000 for construction of a canning center in West Palm Beach. Also listed in this section is an appropriation of \$164,433 which is being set aside for remodeling the court house. The capital outlay fund is raised through a one mill levy against the tax roll.

Right-of-way for Six Mile bridge in the Everglades has boosted appropriations in the General Road and Bridge Fund budget.

## Kenneth Bass Is Missing In Action

The wife and parents of Cpl. Kenneth Bass of Belle Glade have received official word that he is missing in action in Korea. He is the son of Mr. and Mrs. J. Avery Bass.

Cpl. Bass was home on furlough in March before being transferred to the combat zone. During his furlough he was married to the former Miss Faye Swanson, daughter of Mrs. B. W. Bell.

He was serving as an Air Force tail gunner and on his 15th mission on July 4 did not return.

Bass was graduated from the Belle Glade High School. He and his brother, Joel Bass, enlisted in the Air Force on July 12, 1950, and received basic training at Lackland Air Force Base, San Antonio.

## 43 Tons Fish Taken By Seins In Lake

OKEECHOBEE — Controlled seining in Lake Okeechobee netted 87,781 pounds of fish of all species last week, according to a report Monday from Harry Frish, Game and Fresh Water Fish Commission fish management expert.

The catch included 47,802 pounds of large mouth black bass, chain pickerel and non-predatory turtles returned to the water; 6,678 pound of gar, mudfish, gizzard shad, chub sucker and predatory turtles destroyed, and 31,435 pounds of fish sold.

The saleable fish included channel catfish, white catfish, speckled bullheads, black crapple, bluegill bream and shell cracker.

Water in the big lake is low now and few crapple are being taken, the wild life supervisor reported. The program has been in effect two weeks.

## County Park—

(Continued from page 1)

"that has done so much to deserve this recognition."

Adoption of the resolution was seconded by Commissioner Paul Paul Rardin of Canal Point who recalled of Mr. Prince—"he was always helpful . . . and when I was a novice in county government, Johnny was always glad to help me with my problems."

"I feel that it is an honor and privilege to offer a second to the resolution," Rardin said.

Herbert Evans, who succeeded Mr. Prince on the commission said:

"Unfortunately, great public servants are not recognized during their lifetime."

"Lake Osborne was one of the closest things to Johnny's heart," said Evans in support of the resolution.

Commissioner Ben Sunday, Delray Beach said, "It is the least we can do . . . I highly endorse this resolution."

Commission Chairman Kenneth Foster, one of the principal supporters of renaming the park said that announcement of the commission's intention to change the parks name in commemoration of Mr. Prince had brought a flood of letters and telephone calls—all commending the commission on its decision.

Following adoption of a resolution the board also voted to select a committee to be made up from representatives of all towns in District Three to plan a proper dedication of the park. Date for the dedication ceremony had tentatively been set for Armistice Day in November. The observance will probably include the unveiling of a bronze plaque which will mark the area as John Prince Memorial Park.

## Effort Is Made To—

(continued from page 1)  
and egress to the airport from his land.

Rardin said that additional agreements and charges would have to be worked out between the flyer and the county for use of the airport as a base of operations for the dustier.

Individual plots are available on the airport property for fliers who wish to lease space on which to build their own hangars.

Commissioner Rardin advised the commission this week that all possible speed was being taken to procure right-of-way for construction of a new bridge at Six Mile Band and at Canal Point. Both right-of-way suits are in court this week and are expected to be settled before the week is out.

Rardin said that on the advice of the State Road Department, the county was rushing to secure needed right of way for the bridge work on these two spans so that construction of these two bridges and two other bridges in the Glades could be put for bids by the SRD. The Road Department, Rardin said, wants to work all four projects at the same time rather than letting any of the jobs individually.

Jimmy Spooner, small son of Mr. and Mrs. Stewart Spooner, is recuperating from an appendectomy performed at the Everglades Memorial Hospital Sunday.

A group of eighteen stars from Cypress Gardens have invaded New York City for a summer schedule at the \$5,000,000 Marine Stadium at Jones Beach.

Mrs. George O. Schroder had as recent guests her son and daughter-in-law and sister, Mr. and Mrs. George M. Schroder, of Philadelphia, Pa.

Private Room ..... \$70.00

Semi-Private Room ..... 60.00

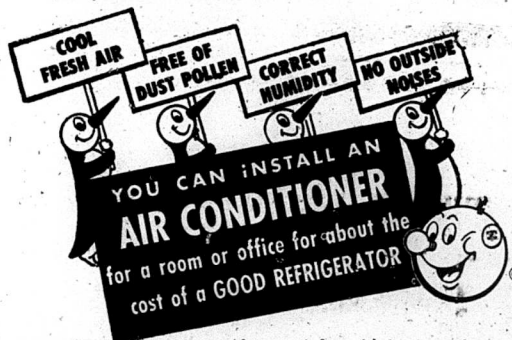

Ward ..... 50.00

Effective Immediately.

BY THE BOARD OF DIRECTORS  
OF THE

## Everglades Memorial Hospital

Beat the heat with  
"REDDY-MADE" WEATHER!

...and operate it for a nickel or less an hour.\*

Furthermore, you'll be amazed at how cheap you can operate added appliances:

YOU CAN ADD:	FOR ABOUT *THIS AMOUNT A MONTH
TELEVISION . . . . .	\$ .75 to 1.50
DISHWASHING . . . . .	.20 to .50
FOOD MIXING . . . . .	.05 to .10
JUICE EXTRACTING . . . . .	.02 to .05
GARBAGE DISPOSAL . . . . .	.02 to .05
AUTOMATIC IRONING . . . . .	.25 to .65

And so on down the list.

No wonder

folks in Florida use more electricity than people most anywhere else...it's modern...it's efficient...it's cheap...it gives extra leisure for...

FLORIDA POWER & LIGHT COMPANY

\*Depends on what appliances you're now using...your dealer can give you an exact figure for your home.
